

Dear Contact Person / Dear Hiring Manager,

I am writing to apply for the Python developer part-time or intern position. Enclosed I am submitting my resume.

The role is very appealing to me, and I believe that my strong technical experience and education make me a highly competitive candidate for this position. My key strengths that would support my success in this position include:

Since I have been studying a project about machine learning with Python, I have a background with this programming language.

I strive continually to improve myself and learn new subjects. I am always eager to learn and improve myself.

I have been completing my courses that are related to computer science and telecommunication successfully.

As in my first internship experience, I could adapt to the work environment fast. I have a high dedication and engagement to the work.

As an Electronics and Communication Engineering student at Istanbul Technical University, I have acquired skills in telecommunication, and software development. Please see my resume for additional information.

Thank you for your time and consideration. I look forward to speaking with you about this employment opportunity.

Kind Regards

Utku Demir
